Dear Corporate Sponsor:

The sport of fastpitch softball allows young women to develop physical and mental discipline as well as hand/eye, speed, strength and endurance. Softball requires substantial commitment on the part of the athlete as they must train throughout the summer to compete in the fall. Sequoyah High School Softball is a competitive program dedicated to excellence. We are focused on the complete development our student-athletes.

As our team grows, so do our needs and our budget. Therefore Lady Chiefs Softball is seeking sponsorship for our team. Your donation to our program will go towards the purchase of netting materials to build a hitting tunnel, materials to maintain the field and equipment that is needed for practices.

It is because of the support of Corporate Sponsors like you that the Lady Chiefs are so successful on and off the field. You are helping to build and mold our future leaders through your support. Monetary support for the program must come from Corporate Sponsors and other fund raising efforts. You are crucial to the success of our team and program.
